

# WHAT IS A DISCIPLE

## What Is A Disciple? - 1/5/2020

### OVERVIEW

As we start a new year and a new decade, where are you in your spiritual journey toward becoming a disciple of Christ? Do you simply need to begin following Him? Maybe you are already a follower of Christ, but you need to be made more like Him. Or perhaps you need to be on mission with Him. Wherever you are in this process, “I AM” is with us always, even to the ends of the age. In this year of discipleship, let’s strive to become a different version of ourselves and to be made more like Christ.

Scripture: Matthew 28:16-20 (NIV); Mark 1:17 (ESV)

### APPLICATION

- Spiritually speaking, what is your hope for 2020?
  - Woody says, “Information without application keeps us from transformation.” How have you seen this statement to be true in your own life?
  - Blue Ridge’s definition of a disciple is someone who is following Jesus, is being made like Jesus and is on mission with Jesus. What does each piece practically look like in one’s life?
  - Being a disciple starts with a decision and includes continual decisions for the rest of your earthly life. What decision is God asking you to make to further your discipleship journey?
  - Homework: Woody said that this year will be the year of the disciple. Take time to honestly evaluate each circle that Woody shared (following Jesus, being made like Jesus and on mission with Jesus). How are you doing in each area? What needs work? Ask God to help you grow in 2020.
